

FLEMING VILLA

The Fleming Villa is like an island unto itself.

Looking for privacy? Fleming Villa (along with its satellite cottages, Pool House and Sweet Spot) is all about privacy. Your own beach and, of course, your own pool, gardens, and staff.

Walk over to GoldenEye for a spa treatment, sunset cocktails at the Bizot Bar or dinner at the Gazebo Restaurant. Walk back to Fleming Villa and, again, you're secluded. Removed from it all. Really, it's the best of all worlds and the very best of ours.

Of course, there's the history. Fleming, and his character, Bond. James Bond. If these walls could talk they'd tell tales of artists and writers, spies and seducers. The romantic atmosphere is palpable. The vibe, utterly relaxing, though you may feel the inspiration that lives here, still.

The villa features the original three bedrooms and two stand alone guest cottages (sleeps up to 10). Other exclusive features include the private Fleming Beach, pool and state-of-the-art media room. The villa has its own dedicated staff that includes a butler, housekeeper and cook.
